De Sir

I enjoy the possession of a letter from M^r Dr. Barbarin Curator of the Concordia Art Gallery & understood from its contents that the Art Committee of the institution ~~refuse~~ ^{decline} to purchase any of my pictures & that I am requested to remove them. I permit myself to request that through your kindly influence & translation of these lines to M^r Dr. Barbarin & the Committee the privilege of having my pictures in their care until Monday next, as two Connoisseurs of Art interested in my work would like to see them, which for me would be of special benefit.

In the hope honored sir that as Artist & College you will not refuse to prefer my request before the authorities. I remain most
obediently.

H. Davis.
